

**Teaching with Biology Endorsement
Course Memorandum**

Name _____

ID# _____

1. Does the student have a minimum grade point average of 2.5 in the following course work?
Yes _____ No _____
2. Will or is the student placed in a student teaching center with biology and agricultural education
instructors Yes _____ No _____
3. The student has completed or will be completing the following coursework for the Biology
Endorsement.

A. Supporting Laboratory Based Courses (12 credit hours)

CHEM 109 _____

Physics _____

SOIL 153, Soil Science _____

B. Biology Courses (24 credit hours)

Anatomy and Physiology

ASCI 240, Anatomy and Physiology of Domestic Animals _____

Botany _____

Cell Biology/Biochemistry _____

Ecology _____

Evolution

BIOS 101/101L, General Biology & Laboratory _____

Genetics

AGRO 315, Genetics _____

Human Biology _____

Microbiology _____

Zoology

ASCI 240, Anatomy and Physiology of Domestic Animals _____

Supporting Science Coursework _____

C. Integrated Laboratory Management (3 credit hours)

ALEC 308, Laboratory Instruction and Management _____

D. Science Methods Instruction (4 credit hours)

CURR 397, Professional Practicum (Parallel w/CURR 451V) _____

CURR 451V, Secondary Science Methods I _____
